Schedule 6-month dental checkups with Dr. Bart when your child turns three years old. Teach your child that dental visits are not scary by scheduling your dental check-ups with your children and it will save you time too!

Keep Those Referrals Coming!

A patient referral is the highest compliment you can pay us. A personal recommendation from a friend is the most credible form of advertising. For each person who comes into the office because of you, we will enter your name in a monthly drawing for a free dinner at one of our area's fine restaurants!

**Complimentary \$25
Fine Dinner Gift Certificate**
